YUGA INTERNATIONAL COMPANY LIMITED

Keeping up to date with innovation and the latest consumer trends.

Established in 2007, Yu Ga is located in Suzhou, Taiwan where we manufacture hundreds of stock and custom cosmetic containers in a variety of styles and colors. We offer complete packaging development services from in-house tooling design through to manufacturing (including injection molding, blow molding and injection blow molding) and onward to incomparable decorating (including silk-screening, hot-stamping, spray coating, vacuum metallization and heat transfer).

We uphold integrity-based, customer-oriented business principles and are committed to serving our customers by aligning with international standards and continually upgrading our facilities and machinery to meet manufacturing capacities.
